Internship Program Admissions

<p>Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program's policies on intern selection and practicum and academic preparation requirements:</p>
<p>Applicants should have a demonstrated interest in working with children as reflected by their practicum experiences. Although we do not require a specific type of practicum experience, those that are valued include experience in providing clinical services to children with diagnosable conditions in an outpatient, inpatient, community mental health center or a school setting for children with behavioral disturbances. Additionally, testing experience with children, especially using some form of full-battery is highly desired. We rank applicants according to experience and demonstrated interests. Our most successful applicants have an understanding of the breadth and depth of diagnosable conditions as well as the extent of external environmental factors that influence clients and families abilities to engage in treatment in a child community mental health setting.</p>

Does the program require that applicants have received a minimum number of hours of the following at time of application? If Yes, indicate how many:

Total Direct Contact Intervention Hours	Yes		400
Total Direct Contact Assessment Hours	Yes		50

Describe any other required minimum criteria used to screen applicants:

To be an eligible applicant you must have a Masters degree in clinical psychology or equivalent and be licensable in the state of Kansas at the Masters level. It is a requirement that applicants be in good standing from an APA accredited doctoral program. Prospective applicants can review these requirements at <https://ksbsrb.ks.gov>. An applicants completed APPI should include one psychological test report. We offer on-site interviews, which usually are scheduled for Friday's in January. Interviews may also be conducted via zoom. Every individual offered employment shall pass a background check and a drug screen.
